Thanks, Mark, for working with me on this document. I think it will be good to maintain a high level of communication with the county, and doing things like this will help to build the relationship with locals at the site while making sure that accurate information is distributed.

Thanks again,
Rob

Hi Wanda,

Per your request at the Flathead County Health Board meeting, I've attached a copy of the material that I read from last week. I'm sorry it's taken awhile to send this to you. I'm going to be out of the office for the next 1.5 weeks, but please feel free to reach out to me if you have any questions and I'll be happy to clarify any misunderstandings when I return.

Thanks,
Rob
